E & R. All those in favor vote aye all those opposed vote nay. Did you want to talk on it? It is a debatable issue. Did you want to talk on it? It is a debatable issue. The time is up, but it is still debatable. Do you want to move for the suspension of rules?

SENATOR DeCAMP: Is that what is required?

SENATOR CLARK: That is up to you.

SENATOR DeCAMP: Yes, I would move to suspend the rules and just in saying it, you will note on the amendment, to double the tax, the amendment that would have doubled the tax, maybe killed the bill, maybe gutted it, maybe made it unworkable or unacceptable, I didn't raise my voice, I didn't say a word, I didn't go lobby on it. I guess what I am saying is that we got a litter tax, this makes it workable, and I just think now it is reasonable to go ahead to suspend the rules and advance it. I gave you the best shot in the world, didn't try to stop you in any way. I was scared for awhile though.

SENATOR CLARK: All right, the motion before the House is the suspension of the rules. All those in favor vote aye opposed nay.

CLERK: Senator Clark voting aye.

SENATOR CLARK: Record the vote.

CLERK: 30 ayes, 0 nays on the suspension of the rules.

SENATOR CLARK: The rules are suspended. Senator DeCamp.

SENATOR DeCAMP: Move the advancement of the bill.

CLERK: Pardon me? Oh, I'm sorry, 30 ayes 6 nays, excuse me, Senator.

SENATOR CLARK: The rules are suspended. The proposition before the House is the advancement of the bill. Is there any discussion? Senator Cope. We suspended that rule, the Clerk said, so there is no discussion. It is simply a matter of voting on it to advance the bill. All those in favor of advancing, advance it with aye, those opposed nay.

CLERK: Senator Clark voting aye.

SENATOR CLARK: Voting on the advancement of the bill to E & R, 965. Have you all voted? Record the vote.
